

- Santa Sabina Ole is a vegetable oil, high in polyunsaturated fats & low in saturated fats.
- Polyunsaturated fat, making it a better choice than saturated fats like butter and coconut oil for people concerned about cardiac health.
- It is naturally free from trans fats.
- Unlike other frying oils, this brand is made from 100% vegetable oil & does not contain any preservatives or additives.
- Santa Sabina Sunflower oil is a premium quality pure sunflower oil.
