

ZUCCATO®

- Zuccato capers have an intense green colour typical of fruit grown in rocky areas which retain their characteristic flavour.
- These whole piquant capers are preserved in vinegar or in salt.
- Available in three sizes – Zuccato Capers in Vinegar are 9/10mm in diameter, Zuccato Small Capers are 7mm in diameter and then the Zuccato Baby Capers or smaller again and are only 4mm in diameter
- The salted capers can be rinsed before using them
- Caperberries are the fruit of the caper plant. The fruit is picked, and then preserved in vinegar.
- They are shaped like a small grape or olive, and have a less intense flavour than capers, with a floral and citrus undertones and are less salty.
- Capers and Caperberries are ideal in many dishes, from pizzas and pasta to all kinds of meat, fish, sauces and salads. Also, Caperberries are a fabulous addition to any tapas, antipasto platter or add them in drinks or just as a pre-dinner nibble.
