PUGLIA

In an utterly unique corner of the world, between the land and sea, in Puglia's Salento region, along roads walked by Jesuit monks and noble Templar knights, was born Masseria Capoforte. The dream was to create the highest-quality wines reflecting passion, history and tradition. Masseria Capoforte estate vineyard is filled with sandy-clay soils rich in vitamins and sapient rock, which guards the water, then slowly releases it to the soil. Masseria Capoforte's magnificent wines are of great quality and distinctive personality, paying tribute to the traditions of a viticulture that was born among the ancient Greeks to now modernised with the elegance created by the finest local indigenous grapes. These high quality Italian wines are able to satisfy the most refined and demanding palates.
