- All are made from cow's milk.
- Unique and specialty cheeses.
- Shredded Mozzarella is a semi-soft cheese. It is mild and milky in flavour with a soft texture. Has been grated for your convenience. Perfect for melting on pizza and through pasta bakes.
- Napoli Cut Mozzarella is a drier, firmer cheese with a mild milky clean flavour and semi soft texture. The mozzarella cheese is cut into strips that are slightly thicker than Julienne. This cheese melts well because it is less watery than fresh mozzarella. Perfect for melting on pizza and through pasta bakes.
- Traditional and Standard Ricotta are smooth and soft in texture with a delicate flavour.
- Hard Ricotta is a fine, smooth texture, with a delicate flavour.
- Ricotta is a super versatile cheese and a perfect addition in both sweet or savoury recipes.
